

Certificate IV in Mental Health CHC43315

'Helping one person might not change the world, but it could change the world for one person'

Globally, mental health issues are on the rise, and psychological illness is one of the leading causes of disability. Give back to the community and take control of your career with a Certificate IV in Mental Health CHC43315.

COURSE INFORMATION

Course Information

Are you driven to help those in need, and support individuals experiencing mental health and wellbeing issues? Progress in your career in the community or health industry with the CHC43315 Certificate IV in Mental Health. This course will qualify you to work in a broad range of settings, and to work with clients experiencing mental health concerns.

To be eligible for funding, you must be an existing worker within community, or caring for an NDIS participant. If you are not a current worker or carer, you will be able to complete the course at the unsubsidised price.

Course Pricing

- \$190 (Higher Level Skills)
- \$100 concessional (Higher Level Skills or Back to Work)
- Full fee: \$3,000 or \$2,625 concessional
