

CHC50321 Diploma of Child, Youth & Family Intervention

Make a difference. The CHC50321 Diploma of Child, Youth and Family Intervention will qualify you to work with children, young people and families in need. This qualification is relevant to a variety of roles addressing diverse needs within a community setting.

Course Information

Are you passionate about helping children, youth and families at risk? This qualification will equip you with the skills to respond appropriately to diverse and complex needs, it will enhance your communication and case management strategies, and help you build professional skills for working within this rewarding industry. Turn your passion into a career. The Community Services sector is one of the largest growth areas for employment, according to the Government's 'Job Outlook Service'. Over the coming years, thousands of jobs are expected to be created. This course is offered both face-to-face and online.

This course has been identified as a 'skills shortage area' by the Queensland Government. Due to the rapid growth of the community services sector, an increasing number of roles are becoming available and qualified workers are in demand. The community services sector assists and supports individuals, families and communities in need, contributing to their wellbeing and quality of life through social, residential, family and disability support.

This course is for anyone who would like to start a career supporting children, young people, and families, or for those looking to formalise their qualifications or progress in their existing role.
